A Film to Give Bloom to Peace

Once again, the festival of cinema for children and young people has come to Futakotamagawa.

In a world still filled with war, disasters, and flames of hate, we believe in holding on to hope, and never giving up on the dream of peace.

One film alone may not change the world.

But every story can plant a seed in a child's heart, a seed that grows toward the future. With the light of many hearts shining on these small seeds, we believe they will grow tall, and one day bloom like sunflowers. The 32.KINEKO International Film Festival now begins.
